Summer Help

I have had some inquiries about hiring Summer help. It was a thought that if for some reason we have not filled our maintenance position that Summer help with the mowing would be beneficial to our maintenance staff. It has also been suggested that even if our position is filled, Summer help for at least this year would allow more time for the new maintenance person to learn our utility systems. I have checked with the insurance company, they would need to be at least 16 years of age and would not be allowed to drive our City trucks.
