*NOTE: this Agenda is subject to change without notice

SPEED BUMPS

There are two different companies that I have found speed bumps. They look to be the same at both companies with the only difference being in price.

The measurement of the street is as follows:

Curb to curb: 40' 3"

Asphalt to Asphalt: 36' 10"

D-5 Overtime Work.

(c) All "FLSA Non-Exempt" employees shall be eligible to receive overtime compensation for actual hours worked in excess of their normal 40 hour work week as defined in section C-1. "hours worked" does not include holiday, sick, or vacation pay. All "FLSA Non-exempt" employees will be paid overtime for "scheduled overtime" on weekends to do water/wastewater plant checks.

Approved by City Council this 5th day of April 2017.

Larry Lampe, Mayor

Attest:

Kimberly McCormick

Currently we are paying a 3 hour callout for plant checks.
Usually this takes 1½ to 2 hours to complete.

I have noticed that there is a basketball goal set up in the street on Doyle. I know that other cities have had issues with this. I am concerned for the safety of kids playing ball and the drivers on the street.
